Prof. Nandni Chandra Nag
(Cultural Incharge)

I am honoured to be bestowed upon the role of Zephyr 2020 Cultural Incharge by higher authorities of my college. As the preparation time was very less we had to rush. We started with the challenging budget, designed the crowd pulling events, selected committees for each event. Our students started looking for sponsorships to meet the high standard set by them. Various event heads started their work with great vigour to make their event successful. The main highlights were Gully Shor, Faculty day and EDM night. The inauguration started with Bharatnatyam dance seeking blessings from the almighty. Dance and fashion show competitions were an instant hit. Zephyr 2020 was a huge success which will be etched in our memories for lifetime. All these would not have been possible without the sheer hard work put by the core committee student members and supporting student members. I thank them all for the support and congratulate them for their immense success. Thankyou.

I am feeling proud to be named as CULTURAL SECRETARY of the College. This year Cult Zephyr raised its bar to a higher level by organising the splendid events where students can showcase their bunch of Talents. New Events like Gully Shor, Faculty Day were successful and also expand the box of creativity within the students and faculty both. And no doubt the icing on the cake was the Sunburn Night where our Artists lightened the whole campus with their music. All these Events would not be hit without our Core team. I personally thank the whole Cult Zephyr team who had worked day and night to make this event a grand success. It was very grateful to have such a supportive higher authorities and a zestful Faculty Incharge. It was an enriching experience for me and my team for organizing these events. I feel good to say that all students have proved yet again that, it's not just that we excel in academic, but in every single endeavour that we choose to do. Thank you

Mr. Shivendra Singh
(Cultural Secretary)
