

TANTRAGYAN 2K18

Lokmanya Tilak College of engineering, Koparkhairane successfully organized the 6th National Level Project Competition “TANTRAGYAN 2K18” on 27th March 2018 under the dynamic leadership of Head of Electrical Department Dr.C.M.Wankhade.

The faculty incharge of Tantragyan Prof. Shruti Nema welcomed all dignities and participants who came from all over country. Total 94 entries are obtained from all around the colleges across India. Projects on the display had a supreme conceptual and good contribution to “Make in India” concept.

On this occasion, the Director, Dr. Vivek Sunnapwar, spoke about importance of interdisciplinary research and motivated students to contribute more in research. The Principal, Dr. Vivek Yakkundi talked about the recent trends in the field of science and engineering and necessity to update ourselves continuously on latest technology.

Eminent personalities from industris joined the event as juries. Mr. Ravindra Bhalerao (Siemens) as Chief Guest and Dr. R.D. Kulkarni (Scientist, BARC) as Guest of Honour graced the event by their presence.

The event was successfully carried out with the efforts of the college management, staff and Tantragyan student Conveners- Mr. Tanmay Karekar and his team.

Krazybee, Samcon Industrial Control Panels, Aerovant Projects PVT. LTD. ,Educational Organization: ISHRAE, IIIE, ISTE, IEEE; Higher Study Experts: Gateforum, Vision Gate, Study Circle, Vaishnavi Classes, Lakshya Academy, Global Academy were the sponsors for the event.

Diploma (Prizes) :

- 1st - 3 Diamatic PCB design by Government Polytechnic, Bandra, Mumbai.
- 2nd - Renewable Energy Management by Government polytechnic, Bandra.
- 3rd - Semi-Autonoums Landmine Detection by VJTI, Matunga, Mumbai.

Degree (Prizes):

- 1st - Neural Based Motor cycle eco system by RAIT Nerul
- 2nd - Wheel Chair EEG by SIES, Navi Mumbai
- 3rd - Iris Movement based Assistance for catatonic patients by FCRIT,

Vashi Consolation (Prizes):

- 1st - Sprinkler by AC PATIL, Navi Mumbai
- 2nd - Pole changing motor by LTCOE, Koparkhairane, Navi Mumbai
- 3rd - HV Spark Gap by Dilkap, Karjat
