INDUCTION ACTIVITY REPORT

ACADEMIC YEAR -2019-2020 'C' Scheme

The main purpose of the Induction Program is to make new students familiar about the institutional policies, processes, practices, culture and values.

It is to make students feel comfortable in the new environment, create bonding between Faculty and students, student to student as well.

Induction Program also enables them to explore their interest in various activities which includes Literary, cultural and physical activity to set a healthy daily routine.

During the program due care and importance is given to help them overcome or rectify some critical lacunas through proficiency modules in Basic science, Mathematics, English etc.

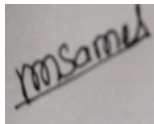

Students are also well informed about the various extracurricular activities through student council's and departmental clubs and are motivated to join the activities organized during the semester from time to time

Activities Conducted:

1. Orientation program for parents and students: Academic program information.
2. Mentoring session: To develop connect between faculty and students.
3. Proficiency modules to rectify the critical lacunas through basic courses.
4. Familiarisation with Institute and Department by arranging campus visit of students and parents.
5. Physical activity through games, sports, Yoga sessions
6. Lectures/workshops by eminent people: Motivational Lectures by Vivekananda Kendra about life, meditation etc.
7. Cultural and literary activity through instrumental music, painting, dance, sketching, Book reading etc.

8. Various Universal Human value sessions to explore oneself for guiding throughout and realizing values.

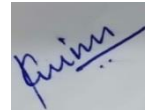

9. Various extracurricular activities by various departments were also arranged throughout the semester.
